

Landscaper's Choice *Turf Grass Mixture*

Landscaper's Choice contains the varieties Gooden, Tempest and Magellan Tall Fescues; along with Tritanium Perennial Ryegrass Blend and Baron Kentucky Bluegrass.

You don't have to be a landscaper to have great looking turf. With **Evergreen Seed's Landscaper's Choice**, you and your lawn can both be the envy of the entire neighborhood! **Landscaper's Choice** is a premier lawn turf mixture that can be utilized in a wide variety of situations. Based on the popular **Evergreen Turf Fescue Blend**, **Landscaper's Choice** contains three, semi-dwarf turf fescues, three turf perennial ryegrasses and a low-maintenance turf, Kentucky Bluegrass. With this simple, yet unique mixture, **Landscaper's Choice performs** well in full sun to dense shade, new seeding, over seeding and patching turf.

Recommended rates are as follows:

Home Lawns: 6-7 pounds per 1,000 square feet

Parks and Athletic Fields: 8 pounds per 1,000 square feet

Over-Seeding: 5 pounds per 1,000 square feet

Landscaper's Choice provide great looking color, season long with the drought and disease tolerant tall fescue varieties through summer and the perennial ryegrass keeps the turf looking crisp throughout the winter. The low-maintenance Kentucky Bluegrass gives extra durability during early and late season period of heavy traffic, especially in park and athletic turf applications. See the difference good grasses can make for yourself. Call for more information or the location of a dealer near you. Thank you for choosing **Evergreen Seed, LLC** and **Landscaper's Choice** the 1st steps to a beautiful turf grass!
